SUPERINTENDENT'S
OCT 22 1894

Office of Assistant Treasurer U. S.,

Philadelphia, Pa., Oct. 20, 1894.

Hon. J. G. Carlisle,

Secretary of the Treasury,

Washington, D.C.

Sir:-

I have the honor to request authority to incur an expenditure of $40. for the repair of eight "Counting Boards", used in this office in counting fractional silver and minor coin.

The Boards referred to are a valuable aid in handling coin and, being in constant use, have become much worn and are in such condition that their prompt repair is a necessity.

In order that the labor of counting the mass of coin that is constantly being received may be properly and expeditiously performed, I deem it my duty to make this request, the estimate of cost stated being, in my judgment, reasonable and fair, considering the nature of the work required.

It is proper to add that on a former occasion the boards in question were, by your direction, repaired at the U.S.Mint, in this city.

Respectfully yours,

W. H. Bigler

Assistant Treasurer U.S.
